SUMMARY

Motivated frontend developer with experience in JavaScript, HTML5, and CSS3. Proven track record in developing and maintaining responsive web applications. Skilled in collaborating with teams and implementing best coding practices. Eager to contribute to projects by leveraging technical skills and innovative solutions.

EXPERIENCE

Juicyway, Intern Frontend Developer

Jun 2024 - Nov 2024

- Developed a secure and scalable wallet system using Elixir and Phoenix framework, enhancing transaction management efficiency.
- Collaborated with senior developers to refine application requirements and implement best coding practices.
- Debugged and optimized code, reducing system errors and enhancing overall performance and reliability.

BINCOM ICT Solutions, Front-end Engineer

Sep 2018 - Dec 2018

- Led the front-end project setup, design, and maintenance, ensuring adherence to UX/UI principles and best practices, resulting in improvement in user satisfaction.
- Developed progressive web apps, service workers, and AMPs, enhancing application performance and scalability.
- Mentored and guided less experienced team members, improving team productivity and collaboration.

Zuri x I4G Training, Junior Front-end Developer

Sep 2017 - Sep 2018

- Tested and debugged code to ensure cross-browser compatibility and optimal performance, reducing major system errors.
- Implemented responsive design principles to ensure websites are mobile-friendly, increasing user engagement.
- Integrated third-party APIs and libraries into websites, enhancing functionality and user experience.

ANDELA, Intern Front-end Developer

Sep 2016 - Sep 2017

- Developed and maintained responsive web pages using JavaScript, HTML5, and CSS3, ensuring cross-browser compatibility and optimal performance.
- Collaborated with designers and back-end developers to implement user interfaces, enhancing user experience and functionality.
- Conducted thorough testing and debugging, reducing major system errors and improving overall performance and reliability.
